

Brunswick Sportsman's Club, Inc.

Organized 1938

P.O. Box 21

Cropseyville, NY 12052

APPLICATION INSTRUCTIONS

1. You must attend one of the Business Meetings of the club. These are held on the second Monday of the month at 7pm. You can obtain the application at the meeting.
2. After completing the application, have a current, active member of the Brunswick Sportsman's Club provide a recommendation for your application. You will need this recommendation before you can proceed to the next step. Make sure that the member's name is printed legibly. Your sponsoring member must attend with you the meeting that your application will be posted.

Note: If you do not know a current member we recommend that you attend either the Business meetings (held the second Monday of the month) or the Social meetings (held the fourth Monday of the month) to get to know our members. You can also get to know members of the club by attending any of the organized shoots that are held at the club. All of these are open to the public and most charge only a nominal fee to cover the costs of targets, materials, etc. Our website www.brunswicksportsmansclub.org has a calendar that lists all the organized events and other information about the various shoots.

3. Once you have a recommendation from a current member, please include with your application both the application fee of \$125.00 and the one-year membership fee of \$125.00.
4. Upon receiving your application with fees, your application will be read at the next Business meeting, and your name will be posted for one month in the club house to be reviewed by our membership.
5. After being posted for one month, at the following Business meeting, the membership will vote on your application. You are encouraged to attend this meeting, but it is not mandatory. If you are not present you will be notified of the results of the vote.
6. The last step is to attend a new member orientation. These are held on an as-needed basis. Please consult a Club Officer to schedule your orientation.
7. At the orientation we will cover Range Rules, Clubhouse Rules, safety, and answer any questions that you may have. The orientation usually lasts about one hour, and we will tour the ranges if light/weather permit. Once you have completed the orientation, and signed the rules sheet, you will have your membership card mailed to you within a few days. After all these steps have been completed you will be a full member of the club and free to use the ranges anytime you wish within the posted hours of 8am to dusk.
